Post Office Blown Open And Robbed

Midnight Marauders Clean Out Safe and Get Away

About \$500 in Coin and Stamps
Secured—Work Seems To Be
That of Professionals.

Unknown cracksmen blew open the safe in the Stanford postoffice early Tuesday morning and secured about \$100 in cash and from \$350 to \$500 in stamps. Postmaster Florence cannot tell the exact amount until he checks up his books.

Entrance to the building was effected by breaking the glass in the windows above the outside lock boxes. The robber went about his work in a methodical way. He undoubtedly was an experienced hand at the game.

A hole about half an inch in diameter was drilled in the safe just above the combination lock with a powerful drill.

Ready for business now, the marauder then mixed his "soup"—as nitro-glycerin is called in the criminal parlance—on a shelf in the rear of the office. He did not use all of the supply of explosive he made, but left some on the shelf in a dirty white handkerchief, mute evidence of the means employed in the robbery, but affording no clue to the robber.

The explosion, which followed and gave access to the contents of Uncle Sam's strong box, was heard by many people in town. No one seems to have attached any particular significance to it, however, most of those who heard it passing it off as a loud shot fired by some late roisterer. George H. Farris heard the explosion but did not get up, thinking it was some one firing in Ball's alley. Rural Route Carrier Jesse Manning, who had been out in the country spending the evening with friends, came back to town about midnight. He was turning the corner of Main and Whitley avenue when he heard the explosion, but thought nothing of it more than to wonder what it was.

It is generally believed that two men must have handled the job, one acting as lookout while the other did the dirty work. They did a clever job and got away with but little chance of capture. There was some talk of getting bloodhounds but the government will make no allowance for such expense.

The robbers could easily have gotten out of town on an early freight, or the morning passenger trains.

MUCH ACTIVITY IN FINANCIAL CIRCLES.

Lincoln National Increases Capital
And Surplus—New Bank Is
Meeting Much Encouragement.

Much interest is being manifested in banking circles in Stanford since the announcement last week of the organization of the State Bank and Trust Company. Financial interests have been stirred and business has received an impetus which augurs well for the continued growth and prosperity of the community.

At a meeting of the directors of the Lincoln County National Bank Saturday it was decided to increase its capital stock \$50,000 and the surplus \$50,000. The bank will then show a capital of \$100,000 and a surplus of \$100,000, a splendid showing. At the first meeting of the directors of the First National Bank it is expected that a cashier will be elected to succeed the late John J. McRoberts. Several have been mentioned for the place, but it is not thought that the directors have definitely decided upon the man as yet.

The promoters of the State Bank and Trust Company say that they are very well pleased with the success which is attending their efforts to secure liberal subscriptions to stock. They are pleased with the way the people of Lincoln are manifesting confidence in the future of the new institution by subscribing for stock. They say that there is no reason why three banking institutions should not do well in Stanford, and point to Lancaster—not nearly so good a business point—which supports three and all do a nice business.

The promoters are still negotiating for a suitable location for the new bank. They have several storerooms under consideration, but have made no definite arrangements as yet.

ATTORNEY J. B. PAXTON presided as special judge in the Richmond court last week.

Your dogs will be killed if city licenses are not paid on them by June 1st. B. D. Carter, city marshal. 27-3.

MRS. F. EICHENBERGER and daughter, Miss Ella, left Sunday for Belmont, Cal., to spend some time with her two sons, who are doing nicely there.

Stanford's streets are littered with rocks and debris all through town. Granitoid sidewalks are being put down on the south side of Main street and when completed will be a great improvement.

W. P. Kincaid bought "Old Scott," E. C. Walton's horse, and the runabout at the latter's sale Saturday, paying \$180 for both. Household and kitchen furniture brought good prices.

INVITATIONS have been issued by Mr. and Mrs. Harry Jefferson to the wedding of their daughter, Miss Elizabeth, to Grandison Vaughn, the wedding to be celebrated at their home in Louisville on June 2. Miss Jefferson is very popular here, where she has visited Miss Marie Mahony, who will attend the wedding.

Good Price

Realized For Land At Sale Of
Moore Estate Near Paris.

Mr. and Mrs. G. C. Givens have returned from Paris where the celebrated farm of the late Mrs. Sallie E. Moore was sold at auction last Thursday. Mrs. Givens is one of the heirs to the estate. One hundred and twenty-five acres of woodland sold at \$175 an acre, and 250 acres of fine farming land brought \$135.25 an acre. Peed and other tobacco men of Bourbon, bought the place. Clarence Lebus, president of the Burley Society, was one of the bidders. The land is considered very desirable.

Officers Elected

For Ensuing Year By Baptist Missionary Society.

The Missionary Society of the Baptist church met Friday with Mrs. J. N. Menefee. An unusually large number were present and a profitable afternoon spent. Three new members were enrolled: Mrs. Richard Scudder, Mrs. Eads and Mrs. Shelton Saufley. Delightful refreshments were served after the business session.

The following officers were elected for the ensuing year: President, Mrs. J. T. Hoskins; Vice President, Mrs. Joe S. Rice; Secretary, Mrs. W. H. Wearen; Treasurer, Mrs. Jesse D. Wearen; Recording Secretary, Mrs. Shelton M. Saufley. The next meeting will be with Mrs. E. J. Brown.

CONVENTION AT DANVILLE AUGUST 6.

Will be Held by Republicans To
Nominate Candidate For Congress
in This District.

Dr. R. M. Davison, republican county committeeman for Lincoln county, and George D. Florence attended the meeting of the 8th district republican committee at Danville Saturday, when a convention was called to be held in Danville August 6 to nominate a candidate for Congress. It is not believed that the republicans have any hope of defeating Congressman Helm, but the nomination will be made to keep intact the party organization.

Auditor Frank P. James, of Harrodsburg, has been urged to accept the nomination, but it is understood that he does not desire to run. Mr. Miles, of Nicholasville, is also mentioned. Judge L. W. Bethurum, of Rockcastle, declined to run, though urged to do so by many friends.

The Eighth district is reliably democratic now by about 1,800 and only in cases of the utmost apathy among the democrats do the republican leaders figure they have a chance. Congressman Helm is very popular over the district and will poll the full democratic vote.

Younger Set Entertained.

Mr. and Mrs. W. M. Bright Receive
in Honor of Their Graduate Son.

One of the prettiest social functions of the week was the reception Mr. and Mrs. W. M. Bright gave Friday evening in honor of their son, Thomas, who has just graduated from the Stanford High School. The house and lawn were beautifully lighted and decorated in blue and yellow, the school colors. An orchestra, stationed in the rear part of the house, added much to the enjoyment of the occasion.

A unique feature in the decorations was a large white cake in the center of the dining table, with the initials of the graduates on it, there being four graduates, and a side of the cake for each graduate. These initials were put on with blue decorative icing. Ices, cakes and mints in the class colors were daintily served.

A large number of guests were present, and all came away wishing that there would be many more graduating parties.

Mr. Bob

To Hold The Boards At Hustonville
On Evening of June 1st.

The Junior Class of the Stanford High School will give the play, "Mr. Bob" at the Hustonville Opera House next Wednesday evening, June 1st. They give a very creditable performance and will doubtless have a splendid house.

Miss Jackson, who will assist them again, has much histrionic ability, and many of the Juniors have considerable talent, as was demonstrated in their performance at the opera house here last week.

Was A Gallant Soldier.

Among those who attended the Confederate Unveiling was Mr. R. G. Collier, a native of Lincoln county, but now a resident of Somerset. He is an engine inspector on the Cincinnati Southern Railway. He was a member of Company C in a Confederate regiment. There were 16 soldiers in the regiment bearing the name of Collier. Of that number only two are now living, the subject of this notice and his brother. Six of the Colliers were from Pulaski county, all brothers, and the last one died a few weeks ago.—Advocate.

Another Automobile.

Smith Baughman last week purchased a handsome Overland automobile from Cecil & Dunn, of Danville. Accompanied by his young son, Morgan Smith, he went to Louisville and drove it through in company with Mr. Dunn. The car is a beauty.

This makes the sixth car in town. John Owsley Reid sold his big car in Louisville the other day or Stanford could have boasted seven, which is about as many as Frankfort has. The old town is certainly a coming.

Preaching at Hubble.

Rev. Sam Pittman will preach at the Hubble Christian church next Sunday, June 5, at 11 A. M. and 7:30 P. M. Everybody invited; the church members earnestly requested to be present.

FANCY PRICES PAID FOR GLENBURNIE HERD

Col. H. P. Hawkins Disposes Of
Magnificent Collection Of
Shorthorns At Public Sale.

Discriminating cattle buyers from all over Kentucky and other States, attended the dispersal sale of Col. H. P. Hawkins' Glenburnie herd of Shorthorns on the Danville pike Thursday afternoon. A total of 20 head of cows, calves and bulls were sold at auction. The 20 averaged \$185 and brought a total of \$3,700. Thomas Johnson, of Columbus, O., bought the best cow in the lot and paid \$775 for her. Carpenter & Ross, of Mansfield, O., paid \$500 for a cow and O. F. Hankle, of Kenyon, Wis., paid \$275 for the bull, Anoka. R. T. Gaines, of Lincoln, bought the cow, Miss Wimple, and calf for \$125, and a yearling heifer for \$60; Bun Gaines bought a young bull for \$125; J. K. Baughman paid \$225 and \$150, respectively for two cows; W. T. Robinson, of Faulconer, bought seven or eight head of the stock at fancy prices. John Boster, of the same community, bought several head.

Foreign buyers were driven from Danville to Glenburnie, where dinner, which had been prepared by the Gilcher House, Danville, was served. Among those present from a distance were Geo. W. Martin, a staff representative of the Breeders' Gazette, Chicago. The Breeders' Gazette is the best paper of the kind in the United States and has many subscribers through this section of Kentucky.

The auctioneers were Col. Cary M. Jones, of Washington Boulevard, Chicago, and Col. George P. Bellows, of Maryville, Mo., who are two of the best auctioneers of the day.

Col. Hawkins expressed himself as well pleased with the result of the sale. He had spent much pains and money in the collection of the magnificent Glenburnie herd, but has decided to relinquish his holdings for a time.

Beer For Danville?

Brewers Want To Ship It In But
Courts Must Decide.

(Danville Advocate.)

The president of the Kentucky Brewers' Association with headquarters in Louisville, telephoned Circuit Clerk Price this morning for a copy of Judge Saufley's decision in the Bunk Raum case. The high mogul of the brewers stated that Danville is a "wet town" and that the distillers propose to ship their goods to this town. At present the express companies are refusing to accept any consignment of liquor for Danville on the ground that it is a dry town.

The president of the association also stated that the Southern Express Co. would be mandamus and force the carrier to deliver beer shipments from Lawrenceburg, Lexington and Louisville to Danville customers, as the city is wet and can not be governed by local option laws. At present all liquors must be shipped from another state.

Many people think the court of appeals will reverse Judge Saufley's decision, while others feel that it will be upheld. A decision is expected in the course of a few days.

Dix River Dam

May Soon Be Under Construction
At Cost of \$1,250,000.

Eight or ten of the eastern capitalists, who are interested in constructing the proposed dam at Kennedy's Mill on Dix river, were there last week looking into the matter. Evidently they were well pleased for they wired to New York for engineers, and they will be on the spot within a week or ten days. It is estimated that this big dam will cost \$1,250,000. It will have a 12,000 horse power, and will furnish light and power of all kinds for a number of Central Kentucky towns.

Kirk Stephens, a young man residing near Columbia, had his right arm so fearfully mangled by the accidental discharge of a shot gun that amputation was necessary. He had been out hunting and was climbing over a log, when the hammer struck against a limb and the shell exploded, almost tearing his arm from his body.

Boosting Lancaster Fair.

President Arnold and Secretary John Farra, of the Lancaster Fair, were here last week boosting that splendid exhibition which will be held in Garard July 27, 28, 29. Lincoln county always sends over a lot of fine stock to exhibit and this year promises to be no exception.

Man Bird Makes Great Flight.

Glen H. Curtis flew from Albany to New York City in an aeroplane Sunday winning the \$10,000 prize offered by the New York World. He covered the distance of 137 miles in two hours thirty-two minutes, and came to earth as calmly and as lightly as a pigeon. His average speed for the distance, 54.6 miles an hour, surpassed any record ever made by an aeroplane in long distance flights, and in its entirety his feat perhaps eclipses anything man has attempted in a heavier-than-air machine.

Mrs. Land Dead.

Wife of Prominent Business Man
Passes To Her Reward.

Mrs. Alice Land, wife of W. B. Land of the firm of Land & Buchanan, died at her home in Rowland, last Friday evening, and was laid to rest in Buffalo cemetery Sunday morning. Mrs. Land had been in ill health for some time. She is survived by her husband and four children. She was a daughter of Ben Martin, and a popular and attractive woman, and a faithful member of the Christian church. Rev. Ed Hubbard conducted services at the grave, a large number of friends and loved ones attending to pay the last tribute to a good woman who has gone to her reward.

Back To Pastorate

Rev. R. B. Mahony Accepts Call
To Todd County Church.

Rev. R. B. Mahony has accepted a call to the pastorate of the Baptist church at Allensville, Todd county, and will soon leave to take up his work there. Mr. Mahony has been out of active service in the ministry for several years and but recently sold his large insurance agency here to Fish & Pennington. He had a fine offer to go with a large insurance company at Tacoma, Washington, but declined it to re-enter the ministry.

His many friends here will regret to give him and his two popular daughters up.

Current Events Club

Meets With Mrs. Tribble And
Discusses Smithsonian Institute.

Mrs. W. A. Tribble informally but delightfully entertained the Current Events Club last week and a most interesting program was carried out. The topic for the afternoon was the Smithsonian Institute, a subject given by Mrs. Clarence Tate, and a most appropriate one, just now being brought into prominence through Roosevelt's travels abroad in the interest of this institution. Mrs. Tate had an excellent paper but could not be present to read it, so Mrs. J. C. Hays substituted for her. Dainty refreshments were served, little Dorothy Tribble assisting her mother in serving them.

The next meeting will be with Mrs. J. G. Carpenter, the subject being American Authors.

Most of the members of the club were present and the following guests: Mesdames Thomas Shanks, Carroll Shanks, Shelton Saufley, R. M. Newland, John Shanks, W. B. McKinney, Will Logan, J. H. Baughman, and A. H. Severance.

Moving Some This Week.

Mr. and Mrs. N. W. Fowle are moving into their new home just vacated by E. C. Walton. George DeBord will take the place vacated by Mr. and Mrs. Fowle, while Mr. and Mrs. Fred Garnett will occupy the house vacated by Mr. and Mrs. DeBord.

Never hesitate about giving Chamberlain's Cough Remedy to children. It contains no opium or other narcotics and can be given with implicit confidence. As a quick cure for coughs and colds to which children are susceptible, it is unsurpassed. Sold by G. L. Penny.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by G. L. Penny.

Maccabees At Ottenheim.

The Ottenheim Tent of Maccabees was installed by A. C. Sine and M. F. Ekin last week, with 16 members, and there are several more applications before the lodge. W. T. White was elected commander, with John Wenzel record keeper and Simon Potry vice commander. The new lodge starts off most auspiciously and with a strong membership.

Body of Little Alma Kellner Found

Missing Louisville Girl Had Been Murdered

Remains Discovered In Basement
of Catholic School and Janitor
is Missing.

Louisville, Ky., May 30.—The body of Alma Kellner was found in a sub-cellar at St. John's Catholic school at 10 o'clock this morning by a plumber who had been sent into the cellar to look after the water system, which was out of condition.

The man was horrified at the sight that met his eyes and ran to the street and gave the alarm.

The cellar was little used and possibly no one had been in it for several months, with the exception of the little girl's slayers.

It is evident that she had been murdered. Six ribs and her back were broken. She was wrapped in an old carpet and quick lime had been thrown over her body, partially destroying it. One leg with foot attached was found buried three feet deep in the cellar.

Positive identification was made by Frank Fehr, uncle of the dead girl.

It is the theory that she was attacked and killed where she was found. Her body had been in the cellar for many months.

Alma Kellner, young daughter of Frederick Kellner, was believed to have been kidnapped from the home of her parents on Dec. 8, 1909. Police officers and detectives throughout the country have searched for her. Her parents are wealthy and related to Frank Fehr, the millionaire brewer, and fabulous rewards were offered for her recovery. Her parents, almost distracted, have waited in vain, hoping that she would be found, and when the news of the murder and finding of the decomposed body was told them, the parents broke completely down.

The entire city is wrought up over the heinous crime, done by a heartless wretch.

Thousands of people hurried to the scene at St. John's School when the report of the discovery of the body was made. Excitement is still high and morbid thousands lurk around the scene of the brutal murder.

Crab Orchard Sanitarium

Bought By J. C. Spitzer and Will
be Run on High Plane.

J. C. Spitzer, formerly of Union City, Ind., has bought the Crab Orchard Sanitarium from the White's Concentrated Salts and Water Company, and will soon have his big place opened up for guests. He will put in many improvements and have one of the most up-to-date institutions of the kind in the State. Mr. Spitzer is thoroughly familiar with his work and a splendid success for him is predicted.

R. C. White still retains the proprietorship of his celebrated Concentrated Crab Orchard Salts and Water.

Stanford 4; Harrodsburg 3.

The Stanford High School base ball team seems to have the hoo-doo on them all. It went to Harrodsburg Thursday afternoon last and defeated the school team there in a hard game by a score of 4 to 3, making the second defeat administered to the Mercer lads this season. This game won made the 20th straight victory that the local boys have secured.

Porch Reception

Given For Mrs. Thos. H. Shanks By Mrs. T. A. Rice.

The beautiful country home of Mrs. T. A. Rice was never more attractive than on Thursday afternoon, when she entertained with a porch party in honor of Mrs. Thos. H. Shanks, the bride of the hour. Mrs. Rice received her guests informally on the veranda, which was made most attractive with ferns and potted plants.

A literary contest was the feature of the afternoon, and each guest had a jolly time trying to answer certain questions with the names of periodicals. Mrs. Thos. Shanks and Mrs. Jno. Shanks cut for the prize and the latter was the lucky one and received a pair of white silk hose. Miss Lizzie Bright won the booby, a box of candy.

Delicious refreshments were served, the cakes being in red and white and mints in red and white roses. About 75 guests were present and all enjoyed to the fullest extent the hospitality of the charming hostess.

John D. Rockefeller would go broke if he should spend his entire income trying to prepare a better medicine than Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea, dysentery or bowel complaints. It is simply impossible, and so says every one who has used it. Sold by G. L. Penny.

Harry Schobert Hurt.

The Jessamine Journal says that while returning from a trip to Stanford Harry Schobert, representative from Woodford county in the Legislature, was thrown from an automobile and a small bone in his left elbow was fractured. He had just stepped upon the running board to get into the car when some one called to him. As he turned the chauffeur started the machine suddenly and Mr. Schobert was thrown to the ground.

Party At Ottenheim.

A delightful party was given at the home of Misses Helen and Theresa Wientjes, of Ottenheim, on the evening of the 28th in honor of a number of their young friends. The table was spread for 16 and the decorations were tasteful, consisting of ferns, roses and orange blossoms. Invitations were issued to the following: Mr. and Mrs. John Wentzel, Mr. and Mrs. Richard Wientjes, Mrs. Ida Kearns and little niece, of London, Misses Clara Bliss, of Cincinnati, Katie Ridder, Annie Zwahlen, Herman Distilly, Oscar Bliss, John Zwahlen, Frank Montag, Joe Ridder, Emil Henzen, Joe Henzen, Walter Gangloff, Frank Wientjes.

The house and lawn were beautifully lighted and decorated in blue and yellow, the school colors. An orchestra, stationed in the rear part of the house, added much to the enjoyment of the occasion.

A unique feature in the decorations was a large white cake in the center of the dining table, with the initials of the graduates on it, there being four graduates, and a side of the cake for each graduate. These initials were put on with blue decorative icing. Ices, cakes and mints in the class colors were daintily served.

A large number of guests were present, and all came away wishing that there would be many more graduating parties.

Mr. Bob

To Hold The Boards At Hustonville On Evening of June 1st.

The Junior Class of the Stanford High School will give the play, "Mr. Bob" at the Hustonville Opera House next Wednesday evening, June 1st. They give a very creditable performance and will doubtless have a splendid house.

Miss Jackson, who will assist them again, has much histrionic ability, and many of the Juniors have considerable talent, as was demonstrated in their performance at the opera house here last week.

Was A Gallant Soldier.

Among those who attended the Confederate Unveiling was Mr. R. G. Collier, a native of Lincoln county, but now a resident of Somerset. He is an engine inspector on the Cincinnati Southern Railway. He was a member of Company C in a Confederate regiment. There were 16 soldiers in the regiment bearing the name of Collier. Of that number only two are now living, the subject of this notice and his brother. Six of the Colliers were from Pulaski county, all brothers, and the last one died a few weeks ago.—Advocate.

Another Automobile.

Smith Baughman last week purchased a handsome Overland automobile from Cecil & Dunn, of Danville. Accompanied by his young son, Morgan Smith, he went to Louisville and drove it through in company with Mr. Dunn. The car is a beauty.

This makes the sixth car in town. John Owsley Reid sold his big car in Louisville the other day or Stanford could have boasted seven, which is about as many as Frankfort has. The old town is certainly a coming.

Preaching at Hubble.

Rev. Sam Pittman will preach at the Hubble Christian church next Sunday, June 5, at 11 A. M. and 7:30 P. M. Everybody invited; the church members earnestly requested to be present.

FANCY PRICES PAID FOR GLENBURNIE HERD

Col. H. P. Hawkins Disposes Of Magnificent Collection Of Shorthorns At Public Sale.

Discriminating cattle buyers from all over Kentucky and other States, attended the dispersal sale of Col. H. P. Hawkins' Glenburnie herd of Shorthorns on the Danville pike Thursday afternoon. A total of 20 head of cows, calves and bulls were sold at auction. The 20 averaged \$185 and brought a total of \$3,700. Thomas Johnson, of Columbus, O., bought the best cow in the lot and paid \$775 for her. Carpenter & Ross, of Mansfield, O., paid \$500 for a cow and O. F. Hankie, of Kenyon, Wis., paid \$275 for the bull, Anoka. R. T. Gaines, of Lincoln, bought the cow, Miss Wimple, and calf for \$125, and a yearling heifer for \$60; Bun Gaines bought a young bull for \$125; J. K. Baughman paid \$225 and \$150, respectively for two cows; W. T. Robinson, of Faulconer, bought seven or eight head of the stock at fancy prices. John Buster, of the same community, bought several head.

Foreign buyers were driven from Danville to Glenburnie, where dinner, which had been prepared by the Gilcher House, Danville, was served. Among those present from a distance were Geo. W. Martin, a staff representative of the Breeders' Gazette, Chicago. The Breeders' Gazette is the best paper of the kind in the United States and has many subscribers through this section of Kentucky.

The auctioneers were Col. Cary M. Jones, of Washington Boulevard, Chicago, and Col. George P. Bellows, of Maryville, Mo., who are two of the best auctioneers of the day.

Col. Hawkins expressed himself as well pleased with the result of the sale. He had spent much pains and money in the collection of the magnificent Glenburnie herd, but has decided to relinquish his holdings for a time.

Beer For Danville?

Brewers Want To Ship It In But Courts Must Decide.

(Danville Advocate.)

The president of the Kentucky Brewers' Association with headquarters in Louisville, telephoned Circuit Clerk Price this morning for a copy of Judge Saufley's decision in the Bunk Raum case. The high mogul of the brewers stated that Danville is a "wet town" and that the distillers propose to ship their goods to this town. At present the express companies are refusing to accept any consignment of liquor for Danville on the ground that it is a dry town.

The president of the association also stated that the Southern Express Co. would be mandated and force the carrier to deliver beer shipments from Lawrenceburg, Lexington and Louisville to Danville customers, as the city is wet and can not be governed by local option laws. At present all liquors must be shipped from another state.

Many people think the court of appeals will reverse Judge Saufley's decision, while others feel that it will be upheld. A decision is expected in the course of a few days.

Dix River Dam

May Soon Be Under Construction At Cost of \$1,250,000.

Eight or ten of the eastern capitalists, who are interested in constructing the proposed dam at Kennedy's Mill on Dix river, were there last week looking into the matter. Evidently they were well pleased for they wired to New York for engineers, and they will be on the spot within a week or ten days. It is estimated that this big dam will cost \$1,250,000. It will have a 12,000 horse power, and will furnish light and power of all kinds for a number of Central Kentucky towns.

Kirk Stephens, a young man residing near Columbia, had his right arm so fearfully mangled by the accidental discharge of a shot gun that amputation was necessary. He had been out hunting and was climbing over a log, when the hammer struck against a limb and the shell exploded, almost tearing his arm from his body.

Boosting Lancaster Fair.

President Arnold and Secretary John Farra, of the Lancaster Fair, were here last week boosting that splendid exhibition which will be held in Garard July 27, 28, 29. Lincoln county always sends over a lot of fine stock to exhibit and this year promises to be no exception.

Man Bird Makes Great Flight.

Glen H. Curtis flew from Albany to New York City in an aeroplane Sunday winning the \$10,000 prize offered by the New York World. He covered the distance of 137 miles in two hours thirty-two minutes, and came to earth as calmly and as lightly as a pigeon. His average speed for the distance, 54.6 miles an hour, surpassed any record ever made by an aeroplane in long distance flights, and in its entirety his feat perhaps eclipses anything man has attempted in a heavier-than-air machine.

Mrs. Land Dead.

Wife of Prominent Business Man Passes to Her Reward.

Mrs. Alice Land, wife of W. B. Land of the firm of Land & Buchanan, died at their home in Rowland, last Friday evening, and was laid to rest in Buffalo cemetery Sunday morning. Mrs. Land had been in ill health for some time. She is survived by her husband and four children. She was a daughter of Ben Martin, and a popular and attractive woman, and a faithful member of the Christian church. Rev. Ed Hubbard conducted services at the grave, a large number of friends and loved ones attending to pay the last tribute to a good woman who has gone to her reward.

Back To Pastorate

Rev. R. B. Mahony Accepts Call To Todd County Church.

Rev. R. B. Mahony has accepted a call to the pastorate of the Baptist church at Allensville, Todd county, and will soon leave to take up his work there. Mr. Mahony has been out of active service in the ministry for several years and but recently sold his large insurance agency here to Fish & Pennington. He had a fine offer to go with a large insurance company at Tacoma, Washington, but declined it to re-enter the ministry.

His many friends here will regret to give him and his two popular daughters up.

Current Events Club

Meets With Mrs. Tribble And Discusses Smithsonian Institute.

Mrs. W. A. Tribble informally but delightfully entertained the Current Events Club last week and a most interesting program was carried out. The topic for the afternoon was the Smithsonian Institute, a subject given by Mrs. Clarence Tate, and a most appropriate one, just now being brought into prominence through Roosevelt's travels abroad in the interest of this institution. Mrs. Tate had an excellent paper but could not be present to read it, so Mrs. J. C. Hays substituted for her. Dainty refreshments were served, little Dorothy Tribble assisting her mother in serving them.

The next meeting will be with Mrs. J. G. Carpenter, the subject being American Authors.

Most of the members of the club were present and the following guests: Mesdames Thomas Shanks, Carroll Shanks, Shelton Saufley, R. M. Newland, John Shanks, W. B. McKinney, Will Logan, J. H. Baughman, and A. H. Severance.

Moving Some This Week.

Mr. and Mrs. N. W. Fowle are moving into their new home just vacated by E. C. Walton. George DeBord will take the place vacated by Mr. and Mrs. Fowle, while Mr. and Mrs. Fred Garnett will occupy the house vacated by Mr. and Mrs. DeBord.

Never hesitate about giving Chamberlain's Cough Remedy to children. It contains no opium or other narcotics and can be given with implicit confidence. As a quick cure for coughs and colds to which children are susceptible, it is unsurpassed. Sold by G. L. Penny.

Chamberlain's Stomach and Liver Tablets will clear the sour stomach, sweeten the breath and create a healthy appetite. They promote the flow of gastric juice, thereby inducing good digestion. Sold by G. L. Penny.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by G. L. Penny.

Maccabees At Ottenheim.

The Ottenheim Tent of Maccabees was installed by A. C. Sine and M. F. Ekin last week, with 16 members, and there are several more applications before the lodge. W. T. White was elected commander, with John Wenzel record keeper and Simon Petry vice commander. The new lodge starts off most auspiciously and with a strong membership.

FOUR-TEAM AMATEUR LEAGUE PROPOSED.

Meeting May be Held Here Soon To Decide Matter--Local Boys Win 20th Victory.

The Stanford High School base ball team seems to have the hoodoo on them all. It went to Harrodsburg Thursday afternoon last and defeated the school team there in a hard game by a score of 4 to 3, making the second defeat administered to the Mercer lads this season. This game won made the 20th straight victory that the local boys have secured.

The game was a very tight one throughout, and was won by Stanford by bunting hits on Hunter Coleman in the seventh. Harrodsburg came back strong in the eighth and ninth, but could not reach. Davenport, catching by hitting safely three times out of four times up, the first a two-bagger right at the start of the first inning, but Pitcher Embry fanned the next three men up and he died on second. Embry kept the hits off him well scattered.

The Harrodsburg boys are very anxious to enter a Central Kentucky amateur league, to be composed of Stanford, Harrodsburg, Lancaster and Danville, each town to sign an agreement at formation of the league to use none but bona fide residents of the county, and a list of players eligible to be submitted at a meeting when the league shall be organized. Lancaster has signified her willingness to enter into such an agreement, and it is practically assured that Stanford will do so. Whether Danville will wish to join remains to be seen. Lebanon is anxious to get in, but as it is rather remote, some objection is raised on this account.

It has been suggested that a meeting be held here this week to discuss the proposition, with representatives present from the four towns. St. Mary's and Campbellsville are anxious to play Stanford since the local boys have made such a splendid record, and games may be arranged this week. The score at Harrodsburg:

Crab Orchard Sanitarium

Bought By J. C. Spittler and Will be Run on High Plane.

J. C. Spittler, formerly of Union City, Ind., has bought the Crab Orchard Sanitarium from the White's Concentrated Salts and Water Company, and will soon have his big place opened up for guests. He will put in many improvements and have one of the most up-to-date institutions of the kind in the State. Mr. Spittler is thoroughly familiar with his work and a splendid success for him is predicted.

R. C. White still retains the proprietorship of his celebrated Concentrated Crab Orchard Salts and Water. Every family and especially those who reside in the country, should be provided at all times with a bottle of Chamberlain's Liniment. There is no telling when it may be wanted in case of an accident or emergency. It is most excellent in all cases of rheumatism, sprains and bruises. Sold by G. L. Penny.

Two Go To Pen.

After being out three days and nights the jury in the Wm. Sparks case, in which he is charged with the murder of Jake Collins, a young farmer, at Richmond, sentenced the defendant to two years in the penitentiary. Walter Jenkins, colored, was given five years for forging a check for \$20.

Langley Renominated.

John W. Langley, representative in Congress from the Tenth district, received the instructions of the delegates from every county in the republican mass conventions held Saturday. He will be renominated for Congress when the district convention meets at Mt. Sterling, June 3.

STATE SENATOR CLAUDE THOMAS, of Bourbon county, has announced that he is a candidate for Congress in the Seventh district against Campbell Cantrill, and from here it looks like he should win easily. Thomas is head and shoulders above Cantrill in almost every way and the old Ashland district would certainly take a forward step by electing him. The Burley Tobacco Society has repudiated Cantrill and its support will go to Thomas. The wonder is that Cantrill kept the tobacco growers hoodwinked as long as he did.

BILL HEAD is making the people of Louisville a good mayor and would no doubt make a good governor, but the people at this time are not going to take a chance on the selection of their nominee for the highest office within the state, and a man who is as close to John Whallen as Mr. Head, can not win the confidence of the people that his peculiar merits might otherwise entitle him to. The people have about made up their minds that Gov. McCreary is the proper man to lead the party to victory, and it looks like his nomination will be a mere formality.—Cadiz Record.

CENTRAL, State and Georgetown are all claiming the intercollegiate base ball championship since Central defeated Georgetown; Georgetown beat State; and State cleaned up Central. They're all wrong. We're still offering that new summer's "lid," which our Harrodsburg friend failed to cover, that the Stanford High School nine can whip any of the three college teams.

THE L. & N. railroad is planning to erect a \$12,000 depot at Richmond. Why not at Stanford? Everyone should sign the petition at the Lincoln Bank.

Killing In Pulaski.

As the result of a shotgun duel between Allen Hall and George Jasper, prominent farmers of Cain's store, Pulaski county, Jasper is dead, but Hall escaped injury. The quarrel arose over a division of land. Hall was arrested and lodged in jail at Somerset by Deputy Sheriff Dick.

Watkins Wants to Run.

State Senator J. J. Watkins, of Union county, has announced that he is a candidate for the democratic nomination for Superintendent of Public Instruction. Senator Watkins is a school teacher by profession and is serving his second term as a member of the State Senate.

New Assistant Postmaster.

Wallace Singleton has been sworn in as assistant postmaster and will assist in general in the office this summer while Postmaster J. C. Florence and his regular assistant, A. B. Florence, are taking some much-needed rest. Young Singleton is very popular and capable and will make a No. 1 official in every way.

Sheep Killers At Work.

Sheep killing dogs were busy in Lincoln last week. Henry C. Anderson lost three at his farm in the Preachersville neighborhood. The dogs attacked his flock during the big rain, but he got to them and managed to kill three. Smith Baughman also lost several and other depredations are reported.

Kings Mountain.

The "sun has his eye on us" again, after so much rain.
Miss Belle Johnson is spending a few weeks in our midst, on her way to her home at Hood River, Ore. She will visit Florida before returning. Master James Alcorn is very ill with measles. Miss Ada Taylor, of Eubanks, is the guest of Miss Lelia Smith. Roscoe Leach's funeral was preached at the Waters' graveyard yesterday at 2 p. m. In a police court item from here in a recent letter an error was made, which please correct. The name of Geo. Rigney was given, when it should have been George Dishon. Misses Belle Johnson and Euphemia Taylor were entertained at dinner by Mrs. Maude Wall Wednesday. Dr. Thompson and family are touring the East this week. Thomas Payne is very ill. Miss Mattie Sims visited Mrs. H. Leach last week.

A St. Louis firm was awarded the contract over six other bidders for the erection of the new Phoenix Hotel at Lexington.

Shattered His Arm.

Rockcastle Man Has An Accident While Hunting—Other Mt. Vernon News.

Richard Brannaman, of Wildie, a son of H. S. Brannaman, while out hunting Saturday fell and accidentally discharged his gun, the entire load entering the elbow of his right arm. The bone was so shattered that amputation was necessary. He stood the operation fine and is doing as well as could be expected. He is a man of family. Jas. Brannaman, a younger brother, lost his right arm in a railroad accident at Paris some years ago.

Dr. and Mrs. Granville H. Albright have announced the engagement of their daughter, Miss Clarence Costello, to Mr. Daniel C. Talbott, formerly of North Middletown, now of Indianapolis. The wedding will take place in June.

C. A. Redd, W. A. Brooks, of Crab Orchard, C. E. Rice, R. L. Johnson and D. E. Gray, of Livingston, were here Friday to be made members of Landrum Council.

Will H. Fish was in Louisville last week, returning by way of Lexington, to accompany home his sisters, Misses Daisy and Julia, who have been attending Campbell-Hagerman.

Dr. E. J. Brown, of Stanford, was here to see his friend, Dr. Southard. He was also in the Quail section to see Daniel Brown, who is very ill.

John Moore, who was operated on in Richmond, Saturday, died as a result on Wednesday. Mrs. S. H. Martin and daughters, Misses Montye and Virginia, attended the funeral.

We do not believe there is another town in the state anything near the size that will compare with Mt. Vernon as a lodge town. There are ten different lodges and each one doing well. The foremost is the Masonic, there being four different branches or lodges: Ashland, No. 640 F. and A. M., Mt. Vernon Royal Arch Chapter, Landrum Council and the Eastern Star. The combined membership of these four lodges is something near 500. The I. O. O. F.'s come next, with a membership of over 100, with an Encampment soon to be organized. The Sir Knights and the Lady Maccabees and the M. W. of A. are less flourishing, but each has a reasonably good membership. They are all good, but of course some are better, and if there is such a thing as getting too much of a good thing, we fear that Mt. Vernon, if she gets any more lodges, will have more than will do well. The Masonic hall, which is over J. Fish's store, is conceded to be one of the prettiest to be found outside of the larger cities.—Signal.

Some Sound Thoughts.

To The Trustees and Patrons of All Districts:—Do you know what is going on down at the school-house? About all that thousands of fathers and mothers do know on this subject is that every morning they send their boys and girls away with their dinner, and are glad to be rid of them till night. Do you not know that right down in that little school-house the future of your boys and girls is largely being shaped? Upon the bent they get there will depend in great measure the character of your boys and girls. See to it then that everything is all right at the school in your district. Put in men of good character for trustees and let each trustee try and get good teachers and of the very best character, both men and women. Go to the school now and then yourself and see how things are going on. Do this and it will be a help and inspiration to the teachers and children. If you are called on for a few remarks, say something that will make them want to live like true men and women. D. B. G.

The Fields-Duncan-Morris sale Friday was called off, after a few sales, as the demand for stock was not brisk, the attendance being small. The farmers have been taking advantage of the good weather to get up delayed work at home.

You Can Test Our Lumber any way you please. It will stand it splendidly. For we handle no unsound stuff. You will learn that the best lumber is the cheapest in the beginning as well as in the end. And our lumber decidedly comes up to quality called "best."

To My Patrons And The Insuring Public.

It has been known for some time that I have sold my business to Messrs. Fish & Pennington; two gentlemen whom I can conscientiously recommend as being most trustworthy and reliable, and who know the business thoroughly and will give it and any matter pertaining to it careful and ready attention.

These gentlemen paid me my price for the business and I would consider it a personal favor if my old customers and friends would stand by them as they have by me, or at least give the matter reasonable consideration before going elsewhere to insure.

They are now representing a line of companies which are as good as any in the country, and a better class of adjusters can no where be found than those of this agency.

It might be a source of gratification to my friends to know that my business has by no means been a failure. Starting out a few years ago without any experience, I have worked up a business which is the largest of any in this part of the state, which will be attested by Mr. W. M. Bright, cashier of the Lincoln County National Bank, where I have done business for the past 20 years. But the work has proven too much for my physical strength. Besides, early in life I felt called to the ministry, which work I pursued for several years, and which I now desire to return to. Since selling out my business I have been offered a good salary by the Continental Insurance Co., to locate in Tacoma, Washington, but turned it down to accept a call to a church in the Southwestern part of the State.

I regret exceedingly to leave Stanford and the friends who have stood by me all these years, and take this opportunity to thank them for their generous support and bespeak for my successors a like treatment. Very respectfully and gratefully, R. B. MAHONY.

The Kentucky Conference of the M. E. Church South will be held in Harrodsburg beginning Sept. 21. Bishop John C. Kilgo recently elected elected Bishop at the General Conference at Asheville, N. C., will conduct the conference.

STATE SENATOR CLAUDE THOMAS, of Bourbon county, has announced that he is a candidate for Congress in the Seventh district against Campbell Cantrill, and from here it looks like he should win easily. Thomas is head and shoulders above Cantrill in almost every way and the old Ashland district would certainly take a forward step by electing him. The Burley Tobacco Society has repudiated Cantrill and its support will go to Thomas. The wonder is that Cantrill kept the tobacco growers hoodwinked as long as he did.

BILL HEAD is making the people of Louisville a good mayor and would no doubt make a good governor, but the people at this time are not going to take a chance on the selection of their nominee for the highest office within the state, and a man who is as close to John Whallen as Mr. Head, can not win the confidence of the people that his peculiar merits might otherwise entitle him to. The people have about made up their minds that Gov. McCreary is the proper man to lead the party to victory, and it looks like his nomination will be a mere formality.—Cadiz Record.

CENTRAL, State and Georgetown are all claiming the intercollegiate base ball championship since Central defeated Georgetown; Georgetown beat State; and State cleaned up Central. They're all wrong. We're still offering that new summer's "lid," which our Harrodsburg friend failed to cover, that the Stanford High School nine can whip any of the three college teams.

THE L. & N. railroad is planning to erect a \$12,000 depot at Richmond. Why not at Stanford? Everyone should sign the petition at the Lincoln Bank.

Killing In Pulaski.

As the result of a shotgun duel between Allen Hall and George Jasper, prominent farmers of Cain's store, Pulaski county, Jasper is dead, but Hall escaped injury. The quarrel arose over a division of land. Hall was arrested and lodged in jail at Somerset by Deputy Sheriff Dick.

Watkins Wants to Run.

State Senator J. J. Watkins, of Union county, has announced that he is a candidate for the democratic nomination for Superintendent of Public Instruction. Senator Watkins is a school teacher by profession and is serving his second term as a member of the State Senate.

New Assistant Postmaster.

Wallace Singleton has been sworn in as assistant postmaster and will assist in general in the office this summer while Postmaster J. C. Florence and his regular assistant, A. B. Florence, are taking some much needed rest. Young Singleton is very popular and capable and will make a No. 1 official in every way.

Sheep Killers At Work.

Sheep killing dogs were busy in Lincoln last week. Henry C. Anderson lost three at his farm in the Preachersville neighborhood. The dogs attacked his flock during the big rain, but he got to them and managed to kill three. Smith Baughman also lost several and other depredations are reported.

The "sun has his eye on us" again, after so much rain.

Miss Belle Johnson is spending a few weeks in our midst, on her way to her home at Hood River, Ore. She will visit Florida before returning. Master James Alcorn is very ill with measles. Miss Ada Taylor, of Eubanks, is the guest of Miss Lelia Smith. Roscoe Leach's funeral was preached at the Waters' graveyard yesterday at 2 p. m. In a police court item from here in a recent letter an error was made, which please correct. The name of Geo. Rigney was given, when it should have been George Dishon. Misses Belle Johnson and Euphemia Taylor were entertained at dinner by Mrs. Maude Wall Wednesday. Dr. Thompson and family are touring the East this week. Thomas Payne is very ill. Miss Mattie Sims visited Mrs. H. Leach last week.

A St. Louis firm was awarded the contract over six other bidders for the erection of the new Phoenix Hotel at Lexington.

Shattered His Arm.

Rockcastle Man Has An Accident While Hunting—Other Mt. Vernon News.

Richard Brannaman, of Wildie, a son of H. S. Brannaman, while out hunting Saturday fell and accidentally discharged his gun, the entire load entering the elbow of his right arm. The bone was so shattered that amputation was necessary. He stood the operation fine and is doing as well as could be expected. He is a man of family. Jas. Brannaman, a younger brother, lost his right arm in a railroad accident at Paris some years ago.

Dr. and Mrs. Granville H. Albright have announced the engagement of their daughter, Miss Clarence Costello, to Mr. Daniel C. Talbott, formerly of North Middletown, now of Indianapolis. The wedding will take place in June.

C. A. Redd, W. A. Brooks, of Crab Orchard, C. E. Rice, R. L. Johnson and D. E. Gray, of Livingston, were here Friday to be made members of Landrum Council.

Will H. Fish was in Louisville last week, returning by way of Lexington, to accompany home his sisters, Misses Daisy and Julia, who have been attending Campbell-Hagerman.

Dr. E. J. Brown, of Stanford, was here to see his friend, Dr. Southard. He was also in the Quail section to see Daniel Brown, who is very ill.

John Moore, who was operated on in Richmond, Saturday, died as a result on Wednesday. Mrs. S. H. Martin and daughters, Misses Montye and Virginia, attended the funeral.

We do not believe there is another town in the state anything near the size that will compare with Mt. Vernon as a lodge town. There are ten different lodges and each one doing well. The foremost is the Masonic, there being four different branches or lodges: Ashland, No. 640 F. and A. M., Mt. Vernon Royal Arch Chapter, Landrum Council and the Eastern Star. The combined membership of these four lodges is something near 500. The I. O. O. F.'s come next, with a membership of over 100, with an Encampment soon to be organized. The Sir Knights and the Lady Maccabees and the M. W. of A. are less flourishing, but each has a reasonably good membership. They are all good, but of course some are better, and if there is such a thing as getting too much of a good thing, we fear that Mt. Vernon, if she gets any more lodges, will have more than will do well. The Masonic hall, which is over J. Fish's store, is conceded to be one of the prettiest to be found outside of the larger cities.—Signal.

Some Sound Thoughts.

To The Trustees and Patrons of All Districts:—Do you know what is going on down at the school-house? About all that thousands of fathers and mothers do know on this subject is that every morning they send their boys and girls away with their dinner, and are glad to be rid of them till night. Do you not know that right down in that little school-house the future of your boys and girls is largely being shaped? Upon the bent they get there will depend in great measure the character of your boys and girls. See to it then that everything is all right at the school in your district. Put in men of good character for trustees and let each trustee try and get good teachers and of the very best character, both men and women. Go to the school now and then yourself and see how things are going on. Do this and it will be a help and inspiration to the teachers and children. If you are called on for a few remarks, say something that will make them want to live like true men and women. D. B. G.

The Fields-Duncan-Morris sale Friday was called off, after a few sales, as the demand for stock was not brisk, the attendance being small. The farmers have been taking advantage of the good weather to get up delayed work at home.

To My Patrons And The Insuring Public.

It has been known for some time that I have sold my business to Messrs. Fish & Pennington; two gentlemen whom I can conscientiously recommend as being most trustworthy and reliable, and who know the business thoroughly and will give it and any matter pertaining to it careful and ready attention.

These gentlemen paid me my price for the business and I would consider it a personal favor if my old customers and friends would stand by them as they have by me, or at least give the matter reasonable consideration before going elsewhere to insure.

They are now representing a line of companies which are as good as any in the country, and a better class of adjusters can no where be found than those of this agency.

It might be a source of gratification to my friends to know that my business has by no means been a failure. Starting out a few years ago without any experience, I have worked up a business which is the largest of any in this part of the state, which will be attested by Mr. W. M. Bright, cashier of the Lincoln County National Bank, where I have done business for the past 20 years. But the work has proven too much for my physical strength. Besides, early in life I felt called to the ministry, which work I pursued for several years, and which I now desire to return to. Since selling out my business I have been offered a good salary by the Continental Insurance Co., to locate in Tacoma, Washington, but turned it down to accept a call to a church in the Southwestern part of the State.

I regret exceedingly to leave Stanford and the friends who have stood by me all these years, and take this opportunity to thank them for their generous support and bespeak for my successors a like treatment. Very respectfully and gratefully, R. B. MAHONY.

The Kentucky Conference of the M. E. Church South will be held in Harrodsburg beginning Sept. 21. Bishop John C. Kilgo recently elected Bishop at the General Conference at Asheville, N. C., will conduct the conference.

PUBLIC SALE

Of Magnificent Farm! The undersigned will on

Wednesday, June 1st, 1910

About 11 o'clock A. M., on the premises, sell publicly to the highest bidder that splendid farm known as the "Tudor Place," located in Fayette county, Kentucky, on the Walnut Hills turnpike road and containing 458.3 acres. Upon said farm is an elegant two-story brick dwelling of ten rooms, with good cellar, bath room and all modern conveniences and all usual and necessary outbuildings, including servants' quarters in excellent repair; three good tenant houses, two practical new tobacco barns, capable of housing 30 acres of tobacco; and excellent stock barn and various other improvements. The place has upon it all necessary fencing, and is supplied with lasting and well distributed water to an extent to satisfy the most exacting. The land is naturally as good as the best to be found in the far-famed Blue Grass Region, a large part of it now in grass and balance in the highest state of cultivation. The past cultivation of the land has been such, and its present condition is now such, that exceeding 200 acres of the land is now ready for growing tobacco, and the remainder susceptible with proper tillage, of like use later, so that a purchaser may confidently rely upon having 75 or 100 acres for tobacco annually for all time to come. The remainder of the land being eminently suitable for cultivation in other crops.

No more attractive farm in itself and in its environments is to be found, and either for home or investment purposes it cannot be surpassed, and this opinion we believe will be shared by any who will investigate. The sale of the property is made necessary to effect a settlement between the owners.

Mr. Hieatt will be found upon the premises until day of sale and will be glad to show the place to intending purchasers.

TERMS OF SALE.—One-third cash, balance in one and two years from March 1st, 1911, notes to bear 6 per cent. interest, payable annually, and to be secured by vendor's lien, purchasers to have customary seeding privileges this Fall and full possession March 1st, 1911. Purchaser will also get the benefit and assume the burden of a lease for two years from March 1st, 1911, covering certain tenant houses and barns on the Combs farm, details of which may be learned on application. Discount at 6 per cent. per annum from day of payment to March 1st, 1911, will be allowed on the cash payment. For further information call on or address:

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Eczema—A Germ Disease, Can Now Be Cured.

The medical profession is all agreed that Eczema is a germ disease, but the thing that has baffled them is to find some remedy that will get to the germs and destroy them.

Zemo, the clean, external treatment, has solved this difficulty by drawing the germs to the surface of the skin and destroying the germ life that causes the diseases. The whole method of treatment and cure by Zemo is explained in an interesting book on the subject issued by the makers of Zemo. It tells how to cure yourself at home of Eczema, Blackheads, Pimples, Dandruff and all diseases of the skin and scalp. Call at Penny's Drug Store for the booklet and learn more about this clean, simple remedy that is now recognized the standard treatment for all diseases of the skin and scalp.

PUBLIC SALE

Of Magnificent Farm! The undersigned will on
Wednesday, June 1st, 1910

About 11 o'clock A. M., on the premises, sell publicly to the highest bidder that splendid farm known as the "Tudor Place," located in Fayette county, Kentucky, on the Walnut Hills turnpike road and containing 458.3 acres. Upon said farm is an elegant two-story brick dwelling of ten rooms, with good cellar, bath room and all modern conveniences and all usual and necessary outbuildings, including servants' quarters in excellent repair; three good tenant houses, two practical new tobacco barns, capable of housing 30 acres of tobacco; and excellent stock barn and various other improvements. The place has upon it all necessary fencing, and is supplied with lasting and well distributed water to an extent to satisfy the most exacting. The land is naturally as good as the best to be found in the far-famed Blue Grass Region, a large part of it now in grass and balance in the highest state of cultivation. The past cultivation of the land has been such, and its present condition is now such, that exceeding 200 acres of the land is now ready for growing tobacco, and the remainder susceptible with proper tillage, of like use later, so that a purchaser may confidently rely upon having 75 or 100 acres for tobacco annually for all time to come.
